ABENCS

18 January 2008

Greetings:

Abencs (Abener Engineering and Construction Services, LLC) is keenly aware of the importance of customer satisfaction. At Abencs we devote time and resources to fully understand our customer's expectations, demands, and requirements. To ensure the highest quality of our products and services, the Quality System in place at Abencs was certified to ISO 9001:2000 standards by SGS Systems and Services in January 2008.

The implementation of a Quality Management System ensures that we are actively working to maintain and improve the reliability of our internal operations for meeting the constantly evolving needs of our customers. Receiving certification to this well-recognized quality standard is a demonstration of our commitment to service, quality, performance and the development of a culture that is fully rooted in continuous improvement.

Sincerely,

Dianne Busse
Quality Engineer
